[Linking Alms for Christmas appeal](#)

Once again, it is that time of the year where Christmas is almost at our doors and we warmly invite your support and participation in this year's "Linking Alms for Christmas" appeal 2025!

As you may know, this appeal has been co-ordinated and distributed through the Emerald Neighbourhood Centre for the past 25 years. The kindness and generosity of donations assists the continuation of "Linking Alms for Christmas" appeal and enables many members of our community experiencing hardship and difficulties to receive the gift of over 300 Christmas hampers and/or presents for families and individuals in need.

All received donations, food and meat vouchers, financial contributions, gift vouchers for teenagers, festive items, toys for young children and the many non-perishable food items, contribute to filling these hampers and bringing that Christmas spirit of giving to those most in need.

We are asking children at Emerald North State School to come along in Christmas themed free dress and bring a donation of a useful non-perishable item to contribute to the collection in the undercover area on **Tuesday 2nd December 2025**. Please note this is a date change from our previous listed date.

Families here have always been extremely supportive of this community campaign, and we look forward to continuing this year.

Sincerely,

Mr Jeremy Callaghan
Principal
