20th November 2025

Dear Parents/Caregivers

I am writing to inform you that I have been seconded to the role of Principal at Proserpine State School for the 2026 school year. At this stage, this is a 12-month arrangement, after which I may return to Emerald North State School.

The position of Principal at Emerald North State School for 2026 has now been advertised state-wide, and the Department of Education will manage the recruitment and selection process. I will share updates with the community once information becomes available.

I would like to thank our families for your continued support and acknowledge our staff for their ongoing dedication to our students. Emerald North remains a strong and positive school community, and this will continue during the transition.

While this announcement relates to next year, we still have an important year of learning and work ahead in 2025. For now, it remains business as usual at Emerald North State School.

Yours sincerely,

Jeremy Callaghan
Principal
